2:45pm

Conference Wrap-up and Evaluations

3:15pm

Adjourn

2018 NARHC Poster Presentations

Advocacy

Case Report: A Gay Nigerian Man's Journey to Asylum in the United States / Nguyen
Creating Culturally Competent Services: Improving the Health of Europe's Migrant Population / Currier
Interdisciplinary Advocacy for Refugee Health: Improving Access and Care through Medical Legal Partnership / Teeple, Ryan, Losey, Landau
Challenges of Health Assessment for Lesbian, Gay, Bisexual, Transgendered, Queer and Intersex (LGBTQI) Refugees / Davies
Health Insurance and U.S. Refugees: A Systematic Review / Xin

Chronic Disease

Identifying Health Needs of Refugees Living in Vermont / Peterson
Non-communicable Disease Burden and Barriers to Accessing Healthcare among Camp-dwelling Syrian Refugees in Beirut, Lebanon / Karaki
Recognizing Fibromyalgia in Refugees with Chronic Pain / Mohammad-Nader
Screening for Diabetes and Pre-diabetes in Newly Arrived Refugee Populations / DeFilippo
Assessment of Monitoring Practices for Newly Arrived Refugees with Chronic Hepatitis B, Minnesota 2008-2017 / Brandeland
Health Conditions and other Characteristics of Adult Syrian Refugees Resettled to the United States During 2011-2017 / Hailu

Community

Food Security in Colonias of Hidalgo County, Texas: A Needs Assessment Analysis / Sudanagunta
Addressing Global Health Needs among Refugee Children and Families in Durham, North Carolina / Esmaili
Culturally Responsive and Community Based Participatory Approaches to Assess Opioid Knowledge in Refugee and Immigrant Populations / Avila, Diambou, Dahal, Bulle
Introducing Family Planning and Contraceptive Counseling Services to a Refugee Clinic in Malaysia / Uddin
Improving Health Literacy among Refugees through a Community-based Interactive Course / Abid
Facilitators and Barriers to Sexual Health among Female Refugee Youth: An Ecological Approach / Miller
Lessons Learned from Working as a Health Navigator with Syrian Refugees in Providence, Rhode Island / Panuganti
Score for Success: An Exercise in Medical Student Community Outreach as a Method to Promote Academic Success in Middle School Refugee Students / Triska
Barriers Inhibiting Iraqi Educated Physicians from Practicing Medicine in the United States / Albear
Karen Family Cohesion Program: Feasibility, Acceptability, and Outcomes of a Culturally Derived Pilot Parenting Intervention for Karen Refugee Mothers and Fathers / Loo
Exploring the Male Perceptions of Female Genital Cutting / Garza-Cavazos
Housing as a Social Determinant of Health among Refugees Living in King County, Washington / Newman
Patient-perceived Barriers to Eye Care in Rural Odisha, India / Orrico
Exploring Refugee Perspectives on Health Care / Mendes

Education/Research

Primary Care Utilization in Young Adult Refugees / Brewer
Refugee Policy Implications of US Immigration Medical Screenings: A New Era of Inadmissibility on Health-related Grounds / Hong
Health Literacy and the Refugees in the United States: A Systematic Review / Imtiaz
Refugees and Special Immigrant Visa Applicants: Health Profiles and Special Considerations / Wien

Meaningful Participation of Refugees and Immigrants in MCH Disability Leadership Training Program / Avila, Favro, Diambou, Dahal
Characterization of Hypertension: Diagnosis, Treatment, and Control at the Mosaic Refugee Health Clinic / Norrie
Addressing Global Health Needs among Refugee Families through a Multidisciplinary Applied Education Model / Esmaili
Refugee Compliance with Latent Tuberculosis (LTBI) Treatment: Focused Interviews with Clinic Patients in the Denver Metro Area, Colorado / Primak, Sonnenfeld, Gamel
Developing Effective Interdisciplinary Team Praxis in Refugee Health; Support – Findings from a Pilot at UNC-CH / Warner
Medical Conditions Requiring Follow-up in Refugees Resettled to Utah During 2013-2015 / Butchereit
Syrian Refugee Health: A Qualitative Analysis of Experiences with Healthcare in the United States / DeFilippo
Access to Healthcare for Immigrants in Michigan / Masten, Debessai, Kubicki, Pullukat, Salmela
Healthcare Utilization of Resettled Refugees in Utah; Linking the Domestic Health Screening to Medicaid Data / Gardiner
Refugee Environmental Health in Multnomah County / Partipilo
Improving Dental Care Utilization by Refugee Patients / Swanson
Identifying the Unique Needs of Sensory Impaired Refugees as a Paradigm for Clinical Medical Education: A Summer Internship in Refugee Health / Triska
Improving Peace and Well-being among Syrian Refugee Youth through a Higher Education Initiative in Jordan / Fredricks
Delivering Quality Care to Refugees within the Clinical Encounter: Primary Care Team Members' Perceptions in Milwaukee, Wisconsin / Waclawik
Looking Upstream: Building Social Networking Skills to Address Social Determinants of Health in Resettled Refugees / Golub
The International Medicine Clinic; A Unique Opportunity of Internal Medicine Resident Education / Curtis, Shankar
Assessing Barriers to Refugee Youth Healthcare in North Carolina / Elnaghee
Identified Recommendations to Improve Holistic Care for Refugee Patients: A Qualitative Study from Refugee-Experienced Healthcare Provider Interviews / Do
Medicaid Claims among Refugees in Colorado: An Exploration / Aragon
Comparative Refugee Studies: Going Abroad to Learn to Care for Refugees at Home / Crabtree
Implementation of Passport to Care (P2C) Activities in a Clinical Rotation / Edghill
Provider Perspectives on the Effect of Political and Social Context on Migrant and Minority Health from the North American Refugee Health Conference 2017 / Wang, Ferrer-Socorro, DeFilippo, Abdullah, Annamalai
Development and Production of a Theory-based, Audience Centered Comic Book for HPV Vaccine Promotion for East African Adolescents / Celentano
Realized Access to Care among Children of Bhutanese and Karen Refugees in Philadelphia: Use of a Novel Questionnaire to Measure Self-rated Ability to Navigate the Health Care System / Warden
Refugee Health Literacy Curricular Initiatives for Adults and Children in North America: A Systematic Review / Wang

Infectious Disease

Communicable Disease Surveillance: Improving Timeliness of Trend Identification in Colorado in the Refugee Population / Kawasaki
IOM Kenya Mitigated Challenges with Patient-centered Care to Ensure No tuberculosis (TB) Patients or their Households Suffered Catastrophic Costs due to TB / Miriti
Treatment Adherence and Outcomes among Primary Refugees to Minnesota with Latent Tuberculosis Infection (LTBI), 1996-2016 / Urban
Domestic Follow-up of Refugee TB Contacts, 2007-2017 / Wang
Results of Routine Hepatitis C Screening of Newly Arriving Refugees in Denver, Colorado / Ruckard

Predictors of Hepatitis B Linkage and Retention to Care for a Cohort of Refugee Arrivals / White
100% Treatment Success is Possible: Championing the International Organization for Migration (IOM) Tuberculosis DOT and Patient-centered Care among Refugees and Other Migrants Undergoing Pre-immigration Medical Examinations / Miriti

Mental Health

Untangled: Breaking the Cycle / Reda
Culturally Competent Trauma Treatment with Central American Refugee Children / Carnes
Trauma Education Nurse Visits in Primary Care / Cheek
Narratives of Political Violence, Relief Work, and Resilience: Perceived Risk Factors Affecting Humanitarian Personnel in the U.S.-Mexico Border Region / Hyman
Mental Healthcare for Refugee Women in Canada: Challenges and Way Forward / Newaz
Utilization of Mental Healthcare Services among Refugees: Past, Present and Future / Xin
Factors Associated with Mental Health Service Utilization among Ethiopian Immigrants and Refugees in the United States / Ayele
Improving Mental Health in Refugee Populations: A Review of Intervention Trials / Peterson
